

## Parents, Please Read.

### *Tips For Success* (Classroom rules and other info.)

- Please Wear Proper Attire- Leotards or tights preferred for girls. Shorts or sweatpants for boys. Comfortable attire for tumbling classes (shorts or sweatpants) Girls should have hair neatly tied back off of their face. Please wear appropriate shoes for your class: ballet shoes for ballet and barefoot or socks for tumbling. NO DRESSES OR JEANS PLEASE unless loose fitting. Please speak with the instructor if you have any questions.
- Make every effort to attend all classes and arrive on-time or early.
- Go to the restroom before class. Making trips during class is disruptive to the rest of the class.
- ABSOLUTELY NO GUM OR CANDY!
- We ask that observers be quiet during class. This is important for the children to receive the full benefit of the class. Please keep chatting to a minimum and Cell Phones must be on Vibrate.
- Note to toddlers age 3-5. Students are expected to listen to the instructor to the best of their ability. If a student is having trouble cooperating, the parent may be asked to assist. We realize that this is many students first classroom experience and that it takes time to learn the rules. However, for the safety of everyone we need to make sure that rules are implemented and that we have parental support to avoid injury. With parent support (reminding children quietly to listen to the teacher or redirect) the class can continue wonderfully! When parents and teachers work together as a team, children have the best rate for success!
- Discipline Policy - If for some reason a child of capable age is exhibiting poor behavior on a regular basis and not following rules the parents, recreation coordinator and company Owner and Manager will be notified. Instructors and parents will discuss options on how to best resolve the issues.
- After each class - Discuss with your child the fun that they had. Ask them about their favorite parts of the class. Only discuss the positive things and gently remind them of things such as paying attention etc. This will foster a positive love for learning. Each child develops at his or her own speed.
- Parents, please communicate with us via email or through the website. If you have any comments, questions, or concerns, please do not hesitate to contact the owner at 1-800-734-1545. Classes meet with no time in between so it is difficult to chat before or after a class.
- Cameras and video cameras are permitted. Preferably on the last day of the session. Guests (relatives, neighbors, etc...) are invited to observe the routine performed by the children on the last day of the session.
- We would encourage students to continue throughout the year as we build upon different skills.
- Snow days- If a class is scheduled and the schools within that area or closed, Ovation Movement by Wendy classes in that area will be cancelled. If you have any questions, please contact your local recreation department for information. You can also see the Announcements Page on our Facebook Page!

**We would like to thank everyone for their cooperation.**
